

Playing at Capital FM Arena

On the 10th October

At 7:30pm

@revelation

Revelation

Information on Revelation...

Revelation started off as a small band in Bingham when 2 students, Jasmine and Georgie from school decided to sing at their school talent show. From here they created their band named revelation which means: 'something that is revealed, especially a dramatic disclosure of something not previously known or realized.' which they relate to their bands spirit.
